To our Country Patrons

THE CITY ELECTION.—This is the tirst election since the exploit of certain Councilmen in the Market-street road and the moval of the Mayor. An appeal then ninely-two members, or about onecilnien and their friends succeeded in de-brothers, nucles, uephews, sons-in-law, feating the appeal. They didn't wish au or brothers-in-law of the present heads of expression of public opinion on their acts, the thirty-one houses known as "the 3 23 They would lake great pleasure in get. great governing families of Eugland." 12 00 ting along without any elections; but they This is exclusive of members standing in

have had to come; and it is a good op-portnuity for the people of Louisville to Irish families, and at least another thirty show their condemnation of these shabby inight be added were the degree of relationship extended to first and second Please to register your issues responsible for all cames, as we hold onselves responsible for losses in the mails, should any occur, indicates who sustain them.

The people have not been very popular of late. Their representatives have got into the habit of putting on airs. We have examples in large and small matters. The people, however, are regaining their former position. There are no steelphier for the people to apply a hickory broad and the House of tommons are more or less concerned in the management or mismangement o

The Congressional Kissing Match.

The Washington correspondent of the Chicago Times, writing under date of the 2th ult., has the following interesting hil of scandul in relation to one of our Congressmen. We had heard of the "irregularity" before, but thought it had Biow-n over:

I see published in the Times of a recent date an extract from the anonymous correspondent of some newspaper, to the following effect:

"Two Legislators from the Mississippi valley had a row last night. No. 1 took his wife to the opera, where he left her in charge of No. 2, and went to his roun at less that specified the proposed the condition of things has not one of the condition of the president has a condition of the condition

The news much clated the Imperial gar-rison at Academic

rison at Acapuloo.

The Liberal General Alvarez is said to have 2,000 men.

FROM TRENTON, N. J.

No Senator to be Elected.

TRENTON, N. J., April 5.

The probabilities are very strong that

eulisted men or commissioned officers, at least two years prior to the fath April, 1885, whose resignations were presented and accepted, or who were mustered out at their own request, or otherwise honor-ably discharged from service after that date. XXXIXth Congress-Ist Session. Washington, April 5. SENATE.

date.
Mr. Brooks addressed the House, en-deavoring to show that the testimony faken up. Mr. Reverdy Johnson took the floor dr. Johnson combatted the remarks of Mr. Johnson combatted the remarks of it. Trumbull that the President had no ower to veto a bill passed by a majority f both houses. Also his use of the case used upon by Chief Justice Marshall, llegging that the decision was mapplicate to the argument. He said there was of a word in the Constitution giving ower to any department of the govern-

was supposed to run in his veins, his de-cent from African ancestors, and his bay-ing come to the United States a slave, he could not become a citizen of the United States.

The description was taken up. An amen ment that carpets and furniture be could not become a citizen of the United States.

410, 670,000 for a levee at Mound Cit

Cincennati, April 5.
Rowena for Nashville, Laura Fenton for St. Louis and St. Paul, and Tahlequah for Arkansas river, were the only boats that left for down the Ohio to-night.

The Rowena had a moderate trip, the Laura Fenton was full of freight and people, and the Tahlequah had a full trip of freight and one company of United States regulars for Little Rock.

Business dull. River rising.

It is stated in Fenian circles and upon reliable authority that within the past day or two the O'Mahoney Fenians and day or two the O'Mahoney Fenians and done the construction of the Constitution of the United States assumed that elizate states assumed that elizate assumed that elizate stip might be acquired by nativity; that it was the law of the civilized world; that he was born in the country, and not made a slave at the montent he was born by any municipal of freight and people, and the Tahlequah had a full trip of freight and one company of United States by virtue of his birth, he because a citizen; but hedded not hold that the constitution every free person born on the soil of a State, who is a citizen of the United States.

American manufacture was concurred in. Also, \$70,000 for a levee at Mound City, tixing the pay of clerks of the Vixix play and storekeepers at Portsmouth and Philadet it was the law of the was of the viring an anendment in reference to Servey's Island, Portsmouth, and instructing the Secretary of the Navy, in case owners on that island refuse to sell the country, and not made a slave at the montent he was born his pay municipal to test petroleum as a luel for bobiers; also conservey's Island, Portsmouth, and instructing the Secretary of the Navy, in case owners on that island refuse to sell the country is the States, by virtue of his birth, indee the use of the bridge and thoroughfure leading from the island to the Government at prices named, to discontinue the use of the bridge and thoroughfure leading from the island to the Government at prices named, to discontinue the use of the many yard; also so concerning an amendment in reference to Senvey's Island, l'ortsmouth, and instructing the Secretary of the Navy, in case owners on that island refuse to sell to the Government at prices named, to discontinue the use of the bridge and thoroughfure leading from the island to the mayy yard; also for the purchase of a thouse and ground at Annapolis; also considered the repeating of the act authorizing the appointment of navy agents and amended by prohibiting the allowness of the section that examinations for admission to the naval effects of rent of quarters, &c.; also a section that examinations for admission to the naval effective from the former of a section that examinations for admission to the naval exceeding the leads of the control of admission to the naval exceeding the leads of the control of the uance; that no vacancy in the professorship of mathematics be filled.

The House refused to concur in the
amendment appropriating \$135,000 for
the purchase of Oakman & Eddridge's
wharf at Charlestown: also refused to
concur in the appropriation of \$200,000
for a quay wal, new machine and bother
house and mayy yard; also refused to
concur in the appropriation of \$91,000
for a ship-joiner's shed at Norfolk; nor
concurred in the increase of apprepriations for Pensacola navy vard; nor concurred in the reduction of appropriation
for printing the mantical almanac.

A Conference Committee was appointed
on disagreements, and the House ad-

GALVESTON, March 31. Si ver Exchange 5 30 Honds

tion-The Sugar Crop, etc. NEW YORK, April 5. NEW YORK, April 5.
The Herald's Havanu correspondent writes that there is a great deal of mystery attending the reported negro revolts on several plantations in tuba, the statements relating to the affair being very contradictory. There have been

heen organized in Havana, to prevent the introduction of African negroes into the introduction of African negroes into the island.

A new line of Spadish steamers has been established between Havana and Aspinwall, and Nicaragua and Jamaica. It is reported that the sugar crop will be one-quarter less than expected.

Revenue speculations are plenty, and dading The company has the control of the the new tariff is said to be a great failresigned, or were mustered out at their own request after the 13th of April, 1865, the War Department had construed the

own request after the 13th of April, 1835,

Arrest by the United States

desires me to comply with the request of Gen. Grant. In obsdience, therefore, to the order of the President, you are hereby instructed to release Bradly T. Johnson from his bonds. He is to be discharged from arrest and not again arrested unless upon orders from this office. I am sir, nost respecifully, Your obschient servant, Jas. Sperp, Att'y General.

Assistant Justice Giles, alone on the circuit court benefit, directed that the bail of Gen. Johnson, for the sum of \$20,000, entered into on the 27th ult, be exonerated, and that Gen. Johnson be disclarated from arrest, which was accordingly done.

TRENTON, N. J., April 5.

In answer to your editorial I unhesttatingly say I newer received a letter
from President Johnson in which he offered me any position under the government if I would defeat the election of a
radical from New Jersey. Do me justice
by publishing this.

(Signed.)

Jas. M. Scovill.

The Telegraph gives the names of the
parties who allege that Scovill told them
ite had received such a letter from the
President, and are willing to swear he did
so. Their names are R. B. Leeds, of Atc City, and Dr. Homar, of Phi

POSTSCRIPT.

3 A. M., April 6. FROM NEW YORK. Arrest on the Charge of Forgery- The Chicago dispatch quoted mess pork at \$550 Flour \$4 7335 50 for superfine. Wheal \$1 26\six 12 Successes of the Liberal Party in Mexico-Fenianism.

New York, April 5.

An Englishman named Benj, Howard
Wilkins, who arrived here on Monday
last, in the steamer City of l'arls, was
yesterday arrested in this city for an
alleged forgery committed in Worcester,
England, and under the act of the extradition treaty returned to that country for
trial.

The Mexican Minister, at Washington,
has received intelligence from El Paso. NEW YORK, April 5.

The Mexican Minister, at Washington, has received intelligence from El Paso, Mexico, of Important ancesses by the Liberals at Tannulipas, Coahnhila, New Leon, Senora and Spinola. Gen. Martinez had captured Alamoz, routing the French forces and effecting a junction with Moralez. The Fereiagnez Legion (Liceral) left El Paso on March 4th for the city of Chihnabua, which place they expected to occupy about the 20th, when President Juarez would establish his government there of once.
